The Gamaliel National Clergy Training is different each year. It is planned and led by an experienced and knowledgeable group of clergy and organizers from around the country.

Each training is designed to equip and inspire clergy to lead powerful local organizations.

We are enriched by the presence of first-time participants as well as by those who attend on an annual basis.

This year's training will focus on how people of faith share their love, power and justice as they seek to lift up a vision of health in their community and in our nation.

Watch the www.gamaliel.org for program details for our training in 2012.

 Gamaliel
 National
 Clergy
 Training**

**April 12-14, 2011
 University of St. Mary of the Lake
 Conference Center
 Mundelein, Illinois**

**Your invitation to shape your clergy caucus
to be the powerful difference in your
organization and community in 2011**

The purpose of the Gamaliel National Clergy Caucus (GNCC) is to act within the Gamaliel Network in ways that faithfully witness to the God of love, power, justice and community.

GNCC will serve as the shaper and bearer of the comprehensive vision of congregation-based organizing for Gamaliel affiliates through the affiliate's clergy caucus.

GNCC offers counsel, direction and prophetic corrective to clergy caucuses of Gamaliel affiliates and to the Gamaliel Foundation itself to strengthen, support and expand congregation-based organizing.

The GNCC assumes the following responsibilities:

1. Encourage the creation and development of clergy caucuses in all congregation-based organizations of the Gamaliel Foundation
2. Develop a network of clergy caucuses
3. Organize training events for clergy
4. Develop a body of theological materials relevant to principles of congregation-based organizing
5. Guide regional and national issues development with the Gamaliel Foundation
6. Challenge organizers to be attentive to the needs, theologies and values of the religious communities
7. Strengthen relationships between the Gamaliel Foundation and denominational judicatories
8. Act as a resource to clergy and local congregation-based organizations
9. Help the Gamaliel Foundation identify potential sites for new congregation-based organizing efforts.

Adopted at the annual meeting of the GNCC on April 27, 1994.
